April 2019

Dear Present and Future Members and Renters,

Winter has wound down and summer will soon be knocking at our door. The board and staff are working to get Barranca Mesa Pool (BMP) up and running for the 2019 season. I, for one, am looking forward to swimming in our lovely pool; we are all fortunate to have such a valuable resource. Please make sure you and your family members are familiar with the rules and regulations. This is important from a safety aspect as well as showing respect to the other members of BMPA.

The assessment for 2019 will be \$460; **remember that your assessment must be postmarked by May 1st.**

Send payments, 2019 membership form, and liability waiver to: BMPA Membership c/o Amelia Epperson 2156 B 33rd St., Los Alamos, New Mexico 87544, (or to PO Box 4, Los Alamos, NM 87544). Additional information is on the assessment form as well. **The 2019 membership forms and liability waivers are available on the BMPA website under the membership tab.**

There is an opportunity to participate in a work party before opening and after closing and get a \$45 dollar discount on the assessment. The work parties last from 3 to 4 hours and food will be provided at the end of the each party. This is a great opportunity to participate in the pool, learn how the pool operates, and work with other members. As a member you own part of the pool.

Remember, the assessment and work deposit must be paid even if you do not intend to use the pool during the season. If no assessment and work deposit is received by May 25th, the Association has the right to rent out your membership and you will still owe your assessment and work deposit. The pool will once again have free **wi-fi internet service** available. Ask the front desk for the password. Please also check our webpage at www.barrancapool.com for up-to-date pool information.

ATTENTION PARENTS!

We had a few "poop accidents" in previous years which always resulted in a pool closure of one to 24 hours, because in a serious case of vomit or diarrhea we have to close the pool until the next day. To minimize this inconvenience for the other pool users, please follow the simple steps proposed in our red posters and flyers titled: "Dear Parent of a Small Child".
